

Alabama Board Unanimously Endorses Ambrose-Kolpien

On Saturday, February 12, the Young Republican Federation of Alabama State Committee unanimously endorsed Nicolee Ambrose & Tim Kolpien for Chairman & Co-Chairman of the YRNF.

"Nicolee and Tim have already demonstrated the leadership and integrity necessary to make the YRNF work constructively with the state YR organizations," said Alabama State Chairman Clay Barclay, who is also the Chairman of the YRNF State Chairs Association. "I look forward to working with them as they restore dignity to the YRNF and make us partners with the RNC."

After the vote, members began discussing plans on how to bring another full delegation to a Young Republican National Convention.

"Presently the discussion seems to center on not how we can bring a full delegation to support Nicolee & Tim, but on who will be able to be a delegate and who will have to be observers. I have never seen this much excitement this early about any Young Republican election," said Barclay.

Upon hearing of the endorsement, Nicolee Ambrose said, "Tim and I are honored to have such an early endorsement from the 2003 YRNF Best State Federation, Alabama."
