SACRAMENTO – A majority of California State Assembly Republicans endorsed Zack Scrivner for Vice Chair At-Large of the Young Republican National Federation.

“Zack is one of the hardest working people I know,” said Assembly Republican Leader, and former YRNF Chairman, Kevin McCarthy.

Scrivner has worked for McCarthy as his Senior Field Representative since the Assemblyman was first elected in November 2002. In total, Scrivner has received an endorsement from nineteen of California’s thirty-two Assembly Republicans.

“I am truly honored to have the endorsement of so many elected Republicans for my campaign to improve the YRNF,” said Scrivner.

“Zack is an active participant in Republican politics and has an incredible work ethic to get the job done,” said Assemblywoman Sharon Runner, Assistant Republican Leader. “He would be an asset to any organization.”

“Zack Scrivner has the experience and ability to take the Young Republican National Federation to new heights,” said Assemblyman Van Tran.
