

Team Ambrose Supports Tamara Baker for Midwest Regional Vice Chair

Team Ambrose is proud to announce that Kansas' very own Tamara Baker will be running for Midwest Regional Vice Chair.

"Tamara has a proven record of experience, hard work and grassroots activism which she will extend in her service to the Midwest Region. She will bring that 'can-do' attitude, along with her plan to expand training and real world leadership opportunities for YRs in the Midwest Region. Tamara firmly believes that education and hands-on experience are key elements for club growth and the development of the next generation of Republican leaders," said Nicolee Ambrose. "We are thrilled to have her as part of Team Ambrose!"

Tamara has been an integral part of over 25 campaigns and she is currently a member of Senator Sam Brownback's staff. Tamara was twice unanimously elected YR National Committeewoman from the state of Kansas.

As Chair of the Sedgwick County Young Republicans (SCYR) in Kansas, Tamara energetically sought opportunities to turn grassroots activists into Republican leaders. Since the founding of the Sedgwick County Young Republicans (SCYR) in 2001, Tamara helped to develop SCYR training which has enabled many of its members to run for local and state office.

Shawn Cowing, chair of Kansas Young Republicans enthusiastically remarked, "I am honored to be able to offer my support to Tamara Baker as the National Young Republican Federation Midwest Regional Vice Chair candidate. I have had the opportunity to work with Tamara when she was the Kansas Young Republican (KYR) Chair of Sedgwick County and, most recently, our KYR National Committeewoman. In both positions, Tamara demonstrated strong leadership, professionalism, and dedication. As the Midwest Regional Vice Chair, Tamara will bring that same devotion to ensuring that the progressive agenda that our National organization is promoting will be accomplished."

"Tamara has earned the reputation of a tireless advocate for youth involvement in the political process. As an elected member of the Kansas Republican State Committee and a leader in the Kansas Young Republicans, Tamara recruits volunteers and helps them to develop into true leaders," said Susan Estes, Vice Chairman of the Kansas Republican Party. "She will take that energy and drive to the Midwest Region of the YRNF."

"I am very pleased to join Team Ambrose in its quest to expand and grow the YRNF. I look forward to working with YR leaders to provide training and educational opportunities to the Midwest Region! By partnering with RNC leaders we can provide unparalleled opportunity to our YRs while providing our senior party with the best political volunteers in the nation," said Baker.
