Doug Grammer, the former Georgia YRNF National Committeeman and new State Chairman said, "I have known Nicolee since she first campaigned for YRNF secretary over two years ago. Jason Shepherd, current YRNF Vice-Chairman, Region III and candidate for YRNF Secretary officially ended his campaign and offered his support and endorsement to his opponent, Glenn Murphy of Indiana.

Shepherd said, "Georgia felt this vote was important to start healing the divide in the YRNF so we could concentrate on what's important, helping Republicans win at the polls."

Three Team Ambrose members traveled to Georgia to attend the GFYRC's Convention. Candidate for YRNF Chair, Nicolee Ambrose said, "Zack Scrivner, Brian Graham, and I had an outstanding visit in Georgia. In addition to meeting many wonderful YRs in Georgia, it is inspiring to see a growing, vibrant organization like the GFYRC that has focused on club development. It is an honor to earn Georgia's endorsement."
