

Team Ambrose Announces Heather Harlow as Treasurer Candidate

May 26, 2005

FOR IMMEDIATE RELEASE

Contact: Nick Wahoff, info@teamambrose.com

Nicolee Ambrose, candidate for YRNF Chair, announced today that Heather Harlow of Ohio has joined Team Ambrose as its candidate for Treasurer.

"I am very honored that Nicolee and Tim have asked me to join their ticket as a candidate for Treasurer. They have put together a team that will work very hard to rebuild the YRNF for the benefit of Young Republicans from coast to coast. I look forward to putting my financial management skills to work for the YRNF."

Heather was elected as the Clerk of Colerain Township in November 2003, defeating a 16-year incumbent. As the Chief Fiscal Officer and record-keeper of Ohio's largest township, she oversees a budget of \$26 million and a payroll of nearly 250 employees. Heather was also recently elected Chairman of the Ohio Young Republicans. She has also served as Secretary, Executive Director and National Committeewoman of the Ohio Young Republicans.

"I am so pleased that Heather will now be able to turn her financial talents to the YRNF," said Ambrose.

"Heather will do a fantastic job," said Michael Harlow, a past Chairman of the Ohio YRs as well as the man who, as her husband, knows her best. The two met at the Young Republican National Convention in Cincinnati.

"Working with Heather over the years, she has proven herself to be very dependable and efficient," said Nick Wahoff, outgoing Chairman of the Ohio Young Republicans. "She will be a wonderful asset to the YRNF."

Heather first got involved in politics because of her strong commitment to Second Amendment rights. She is a NRA-certified instructor in five disciplines and teaches courses Ohioans need in order to obtain a concealed-carry permit.

Heather has been heavily involved in campaigns for many Cincinnati-area Republicans, including Congressman Steve Chabot, County Commissioner Phil Heimlich, Secretary of State Ken Blackwell, and many other local and state office-holders.
