March 25, 2005

FOR IMMEDIATE RELEASE

Team Ambrose is proud to announce that the Massachusetts Federation of Young Republicans Executive Board unanimously voted to endorse Nicolee Ambrose of Maryland for Chair of the Young Republican National Federation and Tim Kolpien of New York for Co-Chair at its March 15th board meeting.

MFYR State Chairman Derek Churchill stated, "The team of Nicolee Ambrose and Tim Kolpien represents a unique opportunity to right the ship of the YRNF and set it on a new course of respectability and accountability that will endear the organization not only to the RNC but to state GOP organizations as well. The Team Ambrose plan for widening the participation of YRs from all levels and their strategy for creating inroads to national and state GOP organizations will give YRs the voice they have sought in national agenda decision-making and create the ability for true financial solvency for our organization."

Nicolee said, "We are excited that Massachusetts is joining us on the path to rebuilding the YRNF into a strong national grassroots organization. The MFYR served YRs across the nation by organizing the 2003 Young Republican National Convention. They realize the importance and power of unifying our efforts and moving forward together."

The MFYR board invites candidates for YRNF offices to attend the MFYR State Convention on May 21st. For details on the State Convention, please contact MFYR State Chairman Derek Churchill at 508-866-5959, 508-254-0456, dchurchill@adelphia.net or by going to our website, www.mfyf.org.
