Helena - The Montana Young Republican League today announced their unanimous endorsement of Nicolee Ambrose for Chairman, Tim Kolpien for Co-Chair and Zack Scrivner for Vice Chairman at Large of the Young Republican National Federation. Their election will take place at the Young Republican National Convention in Las Vegas this July 6-10.

"Montana is united behind the right team," said Charles Robison, Chairman of the Montana Young Republican League. "Nicolee, Tim and Zack bring a powerful combination of experience and ingenuity, and we look forward to working with them over the next few years."

Robison, State Chairman of the Montana Young Republicans League, noted Ambrose's consistent service and commitment to Republican causes; she currently serves as the Young Republican National Federation Secretary, and chairs the Maryland Young Republicans. Kolpien brings the practical insight of a wily campaign veteran to the national level. He's known for his campaign training seminars for activists, candidates and committees, and will prove a valuable asset in the coming election cycles. "And Zack really brings great experience as an elected official," Robison added. "This whole team really will be a credit to our organization."

"Nicolee has been a tremendous resource to us in Montana as we've worked to expand our group and reach out to young people across this state," said Katie Donaldson, treasurer of the Montana YRs. "Her leadership, combined with Tim's extensive, real-world experience, and Zack's outreach will be a great benefit to young Republicans who really want to make a difference."

In addition to Ambrose, Kolpien and Scrivner, Montana endorsed the rest of the Team Ambrose slate of officers, which includes: Glenn Murphy, Secretary; Jessica Colón, Assistant Secretary; Brian Graham, Assistant Treasurer; and Patrick Peters, Auditor.

"The commitment displayed by this group of people is incredible," said Montana's National Committeeman Chris Wilcox, noting Scrivner's recent visit to Montana for a Young Republicans reception. "It's clear that this ticket has the right focus, the right mindset, and the right agenda. We'll do everything we can to help elect them and join them in working for our shared Republican goals for the future."
