

New Jersey Young Republican Federation Endorses Team Ambrose

The New Jersey Young Republicans would like to formally announce our endorsement of Team Ambrose for the offices of the Young Republican National Federation.

After careful consideration we have unanimously decided to support Nicolee and Team Ambrose because of their professionalism and vision for the future of our organization.

We believe they have the necessary ability to bring unity and cohesiveness to our organization from the national level all the way down to the state and local clubs. In doing so, we can build a grassroots movement to repeat last year's success in the presidential election for this year and in the years to follow, not only on the national stage but at the state and local venue as well.

That is why the New Jersey Young Republican Federation looks forward to working with Team Ambrose in the years to come in accomplishing the goals of the Republican Party.

Sincerely,
Todd R. Tarczynski
Chairman
New Jersey Young Republicans
